MEMORANDUM FOR:

SUBJECT : **Materials for**

50X1

50X1

1. For your information, we are in the process of sending over the duplicate negative on Mission 6011. Unless there is serious need for a duplicate positive in that case, we would prefer to begin with the practice of sending a duplicate positive as well as a duplicate negative with 6012. We have levied a requirement on the factory for 6012.
